

OUR CREATIVE SERVICES

From simple production, to full design, EDG Creative offers graphic services that match the specific needs of each casino's marketing team.

DO YOU ALREADY HAVE AN AGENCY OR IN-HOUSE ART DEPARTMENT?

After 10 years in the casino industry, we know that having one of these doesn't always mean the work is getting done in a timely manner.

When you need it "this" week, not in three weeks, EDG can assist with overflow and quick turnaround projects that come up frequently.
